

Wildwood Lot Owners Association

Natural Resources Committee: Permission Request

Date: _____

Tree Removal

Lot Owner Name: _____ Park & Lot Number: _____

Home Phone: _____ Cell Phone: _____

Number of trees to
be removed: _____

NOTE: Do NOT remove trees prior to obtaining approval.

Reason for removal: _____

Tree(s) identified by: _____

NOTE: Trees must be marked in a manner for
NRC to easily locate desired tree.

DO NOT MARK WITH PAINT!!!!

Lot pins and lines must be clearly visible. Lot must be clearly marked (i.e.: DP-7) for accurate identification. Request MUST include the reason for tree removal AND a sketched drawing of lot(s) showing location of trees to be removed. Requests without drawings, cvlearly identified lot lines, and desired trees properly marked will be denied.

Trees 4 (four) inches or less in diameter do not have to receive permission for removal.

More than 5 (five) trees per lot must have 2 signatures.

Draw a sketch of the lot in open area below showing approximate location of trees that are to be removed. May use back of paper if necessary.

Lot Owner's Signature: _____

Permits are good for 120 days after inspection/approval. If more time is needed, please ask for an extension before expiration date.

NOTE: If utilizing Wildwood Services to remove stumps, please do not cut tree stump lower than 2' (two feet) above ground.

For WLOA internal use only
