Quarter 3, 2020

Covid 19 Updates!

The Pandemic has thrown a LOT of kinks into our normal routine.

- Meetings have been cancelled or held outside or via teleconference.
- Easter egg hunts have been cancelled.
- Dances have been cancelled.
- Kids carnivals have been cancelled.
- Fishing tournaments have been cancelled.

It's been a weird spring & summer in the woods.

Slowly, but surely, things are getting back to normal. Even though we've had to cancel everything through the 4th of July activities, we're planning on a big summer bash for August. (See page 2 for details.)

We appreciate everyone's patience as we've dealt with office closures during a normally busy time. It's been awesome to watch how you've all come together and created your own fun with so many activity cancellations. It's what makes Wildwood such a great place to be.

***Stay safe and healthy as you enjoy
your time in the woods!***
