Reviewed Covenants for articles that should be in the Bylaws and not the Covenants.

Determined sections that should probably be removed (assignments given for further review)

Reviewed Section 8 briefly to bring Tami up to speed on how we line out our notes within documents.

Homework:

Cristy & Jami: Review Article XI in Covenants and with Section 6 in Bylaws to make sure that everything in the Covenants is in the Bylaws so that the Covenants section can be removed.

Chris & Trudi: Review Article XII in Covenants against the Article of Incorporation in the Bylaws to see if we can remove this Article XII from Covenants.

Trudi & Tami: Review Article XIII and how it works with the Bylaws.

Tami & Chris: Review section 8.3.6 in the Bylaws.
