

## **Covenants & Bylaws Committee**

Minutes: December 13, 2020

**Opened with Prayer & Pledge** – led by Trudi

**Attending:** Chris Oliver, Trudi Elliott, Cristy Herron, Jami Hohl (late)

### **Discussion of difference between Bylaws & Covenants**

Long discussion about what should be in the bylaws versus what should be in the covenants. The two documents should not overlap at all, according to the attorney.

Goal is to eventually get all “bylaws” items out of the covenants.

### **Computer Assistance**

Chris got Jami’s computer set up for WiFi and Teams so she has access to everything that the rest of the team has.

### **Homework**

**All:** Review full covenants document and determine what (in our own estimation) should not be in the covenants, but bylaws only, based on the sample document that the attorney sent us. Will discuss in next meeting what our thoughts and see where we’re different and where we’re in alignment.

**All:** Review Trudi’s section 2 doc for accuracy – be ready to discuss at January meeting.
