

WHOOOTS!

Wildwood Whooter

Quarter 1—2019

Keep Informed

The Board and Park Council have worked diligently to ensure that there is transparency in their communications with the Lot Owners.

wildwoodassociation.com

The website includes matters concerning the business of running the park:

Financial information, meeting information & minutes, DNR information, all the forms needed for vehicle tags, ATV inspections, building permits, tree removal, Internal Affairs comments & appeals, and applications to run for Board and Park Council.

The website also includes the fun things that we do in the park:

Photo gallery, information regarding events (Easter egg hunt is coming up—yay), the Whooter of course.

In addition to the website, WLOA has a [Facebook page](#) where information can be shared. If you haven't already, be sure to check it out. You can find a link to the Facebook page on the website's Home page or click the link above. The page linked on the website is Wildwood's official Facebook page. To find official Wildwood information, please refer to WLOA-run sites.

If you have questions and can't find the answers you are always welcome to call or visit the office if you have questions.

You may also email the board at any time by using: wloabod@gmail.com.
